

We are located on Lost Lake in the lovely small town of St. Germain Wisconsin. Lost Lake is a five hundred acre lake that is clean, quiet and the fishing is great. There are two bars on the lake, Dor-Way and Patti's. They are both accessible by boat. Families are welcome and both have food, games and pool tables.

St. Germain is approximately 360 miles from Chicago. It is a quiet little town that has a grocery store, wonderful bakery, several gift shops, restaurants and plenty of fishing gear. There is a sports marine in town where you can find watercraft rentals as well. There are numerous activities in town that are great for families. There are craft shows, barbeque festivals and even a circus that comes to town

The town hosts a flea market every Monday from Memorial Day through Labor Day. On Monday nights throughout the summer there is bingo at the Community Center at seven o'clock in the evening. The fourth of July is a big celebration that lasts the entire week. St. Germain also has its own 18 hole golf course. Across from the golf course is a par three nine hole course and miniature golf as well. A trip would not be complete without testing your driving skills at the go kart track or taking a nice horseback ride through the groomed trails. There are nice hiking trails and bike paths as well. Northern Wisconsin is a wonderful destination for friends and family to come together, relax and unwind.

Summerhaven

From the serene five hundred acre lake to the vast wooded lot next door, Summerhaven offers something for everyone. The cottage is comfortably furnished with modern amenities including new color televisions with cable, DVD/VCR players, and a fully stocked kitchen. The Berber carpet throughout the house adds warmth and comfort as well as a sunny porch that overlooks the lake. The outdoor deck also overlooks the lake and is perfect for sitting and relaxing. The sandy bottom of the lake allows for wading and the shallow area by the pier is perfect for little ones to splash and play. Indoors, we offer plenty of fun things to do such as board games, puzzles, and a great selection of movies. In the evening, build a fire in the fireplace and relax. Whatever your wishes are, Summerhaven is sure to have something for everyone.

The modern kitchen is well equipped with new appliances including a ceramic cook top stove, large refrigerator, dishwasher, and microwave. There are plenty of gadgets and gizmos for the gourmet in your party.

The dining room table comfortable seats 8 people.

There are four bedrooms. The upstairs master bedroom has a king bed, the other room at the end of the hall has a double bed.

Downstairs, both bedrooms have queen size beds.

There are three bathrooms, two have a full size tub and shower.

One smaller bathroom has a shower.

There is cable on all four televisions, there are DVD and VCR's to enjoy with our video library. There is a small radio with CD player in the dining room as well.
